Dear Mr. Hodgson:

I am attaching a copy of the plans and design calculations for the U.S. Fish & Wildlife Service, Leavenworth National Fish Hatchery cleaning wastewater settling pond.

At your earliest opportunity, could you please look these over and let me know if you have any comments on them. As soon as possible, we would like to get a coordinated EPA-DOE response back to the U.S. Fish & Wildlife Service. They are anxious to get moving on the construction of this project.

Sincerely,

K. H. Mosbaugh
